Firmman's Pan dear—The seed annual review of the Chicage Fere Department will take place this afternoon, under the direction of U. P. Hank, and the Chicage Fere Department will take place this afternoon, under the direction of U. P. Hank, and the Chicage for the Chicage for the Chicage for the Companies will form at a colock on State street, near the flar-best. All the "Machines" will be out, ready for parade or actine, as the near demands. Missagers in our city will have an opportunity this afternoon of seeing one of the best organized Fire Departments in the country. As far Ke. 4 she can's be best, either in Lake Cities, or as the ecaboard.

PRILAPSIERIE HOSE Co. No. ORN.—At a meeting of this Company, convexed for the parpose, at their Room, on Tuesday afternoon, the property were unanimously adopted:

Whereas, this Company has nest with an afficient of the postage of the propostry of the cities of the control of the company was been described in the resorval from analogue as by death, of our brother and friend, Mr. Lawe Dessa, who by his general uprephiness as a man, and his fielding its promising manhood the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the company of the cities of the control of the contr
